

A2B

RADIO CARS

Welcome to A2B

A2B is Birmingham & Solihull's largest taxi company with over 700 taxi vehicles operating.

A2B Radio Cars Ltd was established in 1991, currently assisting around 5 million passengers each year and services over 1,000 local businesses in the region.

A2B can provide a vehicle to suit most journeys & occasions, 24 hours a day, 365 days of the year.

A2B is owned by Veezu Holdings Ltd, the UK's fastest growing private hire business.

Corporate Travel

VIP Services

A2B provide an exclusive VIP service to cater to the more specific requirements of our clients who demand a higher class of service. Our professional and experienced drivers provide a comprehensive, courteous service in a fleet of immaculate and freshly valeted vehicles.

Meet & Greet Service

We will professionally meet and greet your clients and transfer them to any desired destination in comfort and safety.

Wedding/Executive Vehicles

Our wedding cars are elegant and can help to make your wedding day even more memorable through adding a touch of luxury and class. Our prices are the most competitive within the market place.

Peace of mind

Safety

Customer safety is paramount at A2B.

Our drivers vehicles are inspected by our Road Managers on a weekly basis, to ensure vehicles are safe and high standards maintained.

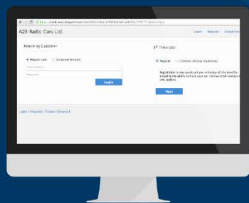

We have a bespoke system that manages all of our drivers documentation.

All our drivers are DBS cleared.

For peace of mind, why not book your next journey on one of our automated booking platforms where you will receive your driver and vehicle details up front for added safety.
